SUMMARY

I'm an engineering student with strong problem-solving skills and solid experience in Java. I build responsive web applications using HTML, CSS, and JavaScript, and I'm familiar with development tools like Eclipse, Android Studio, and VS Code. I enjoy leveraging technology to create practical solutions that have a real impact.

EDUCATION

Presidency University **2022 – 2026**
BTech in Computer Science and Engineering — **CGPA-8.07** Bengaluru, India

Gnanajyothi PU Science College **2021 – 2022**
Class XII Percentage— **88.33%** Sindhanur, India

Vidya Public School **2019 – 2020**
Class X Percentage—**91.68%** Sindhanur, India

SKILLS

- Technical Skills: Java, C++, MySQL, HTML, CSS & JavaScript.
- Developer Tools: Visual Studio Code, Eclipse IDE, Android Studio.

COURSEWORK

DSA	Deep Learning	Artificial Intelligence	Software Engineering
Operating System	Machine Learning	Cloud Computing	DBMS

PROJECT

Aug 2024 – Sept 2024

Weather App (HTML, CSS, JavaScript, API Integration)

- Developed a responsive web application to display real-time weather data for any city using an external API.
- Implemented location-based search, temperature, humidity, and forecast display features.
- Enhanced user experience with interactive and mobile-responsive design for both desktop and mobile devices.

INTERNSHIP

Aug 2024 – Sept 2024

Bharat Intern – Web Development Intern

- Designed and developed a personal portfolio website to showcase projects, skills, and achievements.
- Built a responsive, user-friendly interface using HTML, CSS, and JavaScript.
- Integrated smooth navigation and interactive UI elements to enhance user engagement.

CERTIFICATIONS

- Web Development Internship – Bharat Intern
- C++ Programming Internship – Codsoft
- Certificate of Participation – National Level Hackathon NammaSuraksha-2025 (in collaboration with Karnataka State Police)

ACHIEVEMENTS

- Solved 50+ problems on LeetCode, demonstrating strong problem-solving and algorithmic skills
- Participated in a 3-day national-level hackathon, contributing to team-based project development under competitive conditions
